Christian Life at Hiwassee

As many people know, Hiwassee is a Methodist sponsored Christian school. There are many activities throughout the year that bring students into a Christian environment for fun and learning. The students at the school participate in the Chapel service every Wednesday at 10:00 am.

These services give the students motivation and teachings to come closer to their own religion and beliefs and the positive character that comes with being a Christian adult. Some events that have been happening lately are CSM sponsored bonfires, concerts, and game nights.

Celia Whitler February Concert

One of the many events that occurred on the campus this past year is the Celia Whitler concert in the chapel service and the Christian Student Movement service. This wonderful singer was gracious enough to come to our small country campus and entertain us and touch us with her songs and stories.

Many students look forward to events such as these and if you attend one of these events you would understand why. These events are always fun and involve a wonderful touching message. These events give the students a time to take a break from all that difficult studying and sit back and enjoy some good clean entertainment.

Fun Times at CSM

Many of the people that take part in CSM come early to hang out with friends and discuss their day and what may lie ahead of them.

Some fun things that occur in the Christian Student Movement are birthday parties. After the discussion has taken place in the Chapel the group moves over to the kitchen for celebration, cake, music, and just a good time with friends.

These pictures are of a surprise birthday party for one of the members of the organization.

Student Government Association

*The 2003-2004
Student Government
Association*

The Student Government Association (SGA) was very busy this year. Led by President Tyler McElhaney, the SGA is the official student governing body at Hiwassee College. All full-time students have a voice in the governance of this association. SGA strives to improve campus life as well as the quality of education for all students. These objectives are achieved by the SGA serving as a forum for the expression of student views and interests concerning student life within the College.

FFA is the Future Farmers of America. Dr. Marty Bilderback, Professor of Agriculture, is the faculty advisor. The group is made up mostly of agriculture students, but anyone interested in taking part in the events is welcome. FFA has done so much for this school. They are currently redoing the barn and trying to rebuild the Equestrian Program. Also FFA works with all of the other clubs for their events.

They eventually plan to help rebuild a barn that burned in the fall of 2003.

FFA got published in the local paper for their hard work redoing the barns.

FFA is an opportunity to meet life long friends. Just ask these guys.

President Andy Sliger and Vice President Scooter are working hard to take down the part of the horse barn that burnt, so FFA can fix it up just like new.

Hiwassee College Drama

Noises Off by Michael Frayn was presented in the Butcher Auditorium on the campus of Hiwassee College at 8p.m. on November 6 and 7, 2003.

Noises Off opens with a British touring company rehearsing *Nothing On*, a conventional farce. Things go from bad to worse as actors forget their lines, misplace props, and form love triangles. The stage manager has his hands full working with a vengeful diva, jealous leading man, a blind ingénue, a drunken bit player, a knocked-up assistant and a philandering director.

"In English theater, the expression 'noises off' means 'quiet onstage,'" says director Micah Montague. "Staging is a challenge technically since the set must rotate between the acts; everything must be mobile, including all seven slamming doors," adds Montague.

Hiwassee Drama Club member Elizabeth Medley on the scene of *Noises Off*.

Noises Off crew making the masks for the play. Special thanks to the drama club members who worked behind the scenes.

Matthew Quesenberry and Dustin Burnett try to convince one another of a point.

The Drama Club crew live on the scene of the *Noises Off*, one of the funniest plays Hiwassee has ever produced. Hats off to director Micah Montague who did a great job getting the students together for the scenes and hats off to the students who gave of their time to be part of *Noises Off*.

Noises Off was highly commended by everyone including the Vice President and Academic Dean, Beth Scruggs. In a letter, she writes, *I wanted to let you know how appreciative I am of the hard work the actors, director, and stage crew put in for the recent production of Noises Off. I know how much time is involved in putting together a production of this quality and we at Hiwassee recognize all you do to prepare for such an event. The Drama department means a lot to the College and is one of the very special things we like to "crow" about when talking to members of the community and prospective students. The set design was excellent, and I am glad the lights were on so we could see all that went into turning the set around for the second act. Congratulations on a job well done.*

Oedipus the King!

The Hiwassee College Drama Club does it again with *Oedipus the King*. Hiwassee College drama club presented the Greek tragedy by Sophocles in the Butcher Auditorium on March 4,5,6 and also a matinee on Sunday, March 7.

Oedipus the King is the story of Oedipus, King of Thebes. Abandoned as a young child due to an ominous prophecy, Oedipus returns to Thebes, where he is crowned hero for saving the city from pestilence at the hands of a Sphinx. Unaware of the prophecy surrounding his birth, he marries Queen Jocasta, and assumes the throne. Soon after, Thebes is again thrown into a mysterious plague. As Oedipus searches for a cure, he learns of the nature of his birth and is forced to fulfill his destiny, which results in grave consequences for the royal house of Thebes.

The cast includes Darrell Sylvester as Oedipus; Jessica Wilson as Jocasta; Dr. Mike Boerger as Creon; Dr. Robert Allen as Tiresias; Mia Sage Lowry as Antigone; Zoe Frank as Ismene; Brian Taylor as messenger from Corith; Kenneth Parson as the Shepherd; Lindsay Adsit as the Priest; and Ashley Wise as leader of the Chorus.

The Chorus includes: Kristine Vainovska, Suzanne Stout, Brian Taylor, Gary Taylor, Dustin Burnett, Lindsay Adsit, Stephanie Ray, Marisa Kierstead, Ashley Wise, Mia Sage Lowry, Katherine Frank, and Zoe Frank

The one and only stage manager was Rita Hartman. Thank you guys for a very wonderful job you did this year, and to our graduates, Good Luck in the future. Thank you!

Jack Darrell Sylvester II (Oedipus) is majoring in Theater and Arts. In the play, Oedipus is selfish and full of himself.

Dr. Robert Allen (Tiresias) is a faculty member. This was Dr. Allen's first performance, at Hiwassee, and it was splendid. Good job, Professor!

Jessica Wilson (Jocasta) is the recipient of the Blanche Morton Creative Scholarship, and is this year's student editor for Hiwassee's Literary magazine.

Dr. Mike Boerger (Creon) is no stranger to Theatre Hiwassee. Last spring, he played the duke in Merchant of Venice. In another production, the Wizard of Oz, Mike played the Wizard.

Dustin Burnett (Chorus), and Brian Taylor (Chorus and Messenger from Corith). Thank you guys for a wonderful job. Well done!

Hiwassee Inaugurates 21st President

The inauguration of James Authur Noseworthy took place on Wednesday, the twenty second day of October two thousand and three. It all began in the Buckner Memorial Chapel at ten o'clock. Many dignitaries, family, friends, and a lot of students were present to witness this great success. After the inauguration food was served in the Rymer Dining Hall and a beautiful sittng area was set for everyone. This was a wonderful ceremony. We give thanks to everyone who made this day a very great success. Congratulations Dr. James Authur Noseworthy and family!

Dr. Noseworthy delivers his inaugural address. He speaks of the legacy of Hiwassee College giving direction for meeting the challenges of the future.

Hiwassee College Presidents are recognized by the planting of a tree. Dr. Noseworthy is accomponied by his spouse Rev . Karla Kincannon and Rev. A . Bowles, Chair of the Hiwassee College Board of Trustees.

One of the Alumni congratulating President Noseworthy and welcoming him to Hiwassee College.

Dr. Noseworthy's family enjoy this wonderful occasion.

HIWASSEE MEN'S BASKETBALL

2003-2004 Season

This year's 2003- 2004 Hiwassee Tiger men's basketball team had a record 13-13 under Coach Bart Walker. With eight returning players, the Hiwassee College Tigers were looking forward to a bright year, but didn't achieve any of their goals that they had for the season.

Through tough times, the young men stayed together. As a member of this year's team I think that we could have achieved all of our goals if we had been focused.

One of our best and most exciting games was against Southwest Tech from Memphis. As I remember all the players made a contribution to the team's winning effort. We fought and clawed to a victorious victory.

Our team just could never get over that hump to start a winning streak. Throughout all our losses this season I would definitely say that Walter State was the most bitter.

For all those sophomores--Brian Turner, Anthony Cabbage, Cedric Brown, Eric Barnes, Thomas Baker, Frankie Harris, Dexter Gregroy, and Kevrek Frierson--good luck in the future and for our returning players good luck next year.

Ced Brown focuses on the game.

Keverek Frierson warms-up during the conference tournament.

Frankie Harris gets hyped.

The team huddles during a timeout.

Thomas Baker gets a drink before heading to the court.

HIWASSEE COLLEGE

WOMEN'S BASKETBALL

This year it was evident that the ladies were here to serve a purpose and that was to go all the way to the Nationals. It was a hard road to cross but they made it look easy.

Watching them play was like watching a well oiled ma-

chine. Everybody worked together and believed in one another. This is why they got as far as they did.

With the help of four returning sophomores, the Lady Tigers finished the season with 28 wins, and lost only three (two of

which were at Nationals.) They finished ranked 7th in the nation.

The Lady Tigers will lose five sophomores this year, but the seven freshman that will be left behind will more than likely find their way back to Nationals for the win next year.

HIWASSEE TIGERS BASEBALL

2004 Season Outlook:

With 31 wins, 15 more than 2002, a fourth place finish in the regular season, and a berth to the conference tournament for the first time, second year coach Jerry Edwards feels the 2004 season could be even better. Last season Edwards had eight freshman position players who made major contributions throughout the entire season. This season all eight return, and Edwards has added two key position players that will help solidify the Tigers offensively and defensively. Edwards says, "Our offense and defense should carry us this season. The eight guys we have returning all made major contributions last season. The Freshmen we added are quality players and shouldn't feel any pressure since they are surrounded by so many sophomores." Edwards hopes to see the staff come together and be an integral part of the Tigers' run for a conference championship.

On the field the Hiwassee Tigers are tough competitors. They never give up and every team knows when the Tigers come to the ball park they mean business. Below: Corteze Armstrong shows us good form on his swing.

Anton Standifer is focused on the process while he is at bat. His leadership and intensity will help the Tigers all season long. Anton is one of the leading hitters on the team and one can see why with his poise and focus at the plate.

Below we have Gabe Curtis catching the ball at first base getting the out. Gabe is one of the most solid first basemen in the conference and will help the Tigers significantly alongside Anton at the plate. Gabe has the ability to play multiple positions which makes him an even bigger asset to the Tigers Roster.

This season the Hiwassee Tigers are looking at returning to the conference tournament for the second time in as many seasons under Head Coach Jerry Edwards. Along with assistants Lance Knight and Chris Mack, this coaching staff looks for many great things from the squad this season.

Lady Tigers Softball

The Lady Tigers' softball team had a slow start this season. But, as the team progresses with the new coaches and four freshmen, next season is believed to be very promising. The two new coaches are Jada and Robert Koch. This is Jada's first year as head coach; last year she was assistant coach to Coach Fields. Robert Koch, her husband, took the position as assistant coach this year. Under their guidance, the Lady Tigers had two wins and four losses.

- ◆ The first time the Lady Tigers played Roane State they lost, but they did not give up. In the next game they came back and they killed them by the score of 10-1.
- ◆ When they met up with Cleveland State CC they lost 8-1.
- ◆ "In the game against Maryville we were tied 0-0, until the fifth inning. The game took a turn and Hiwassee took the lead with one home run. A few mistakes let Maryville back in the game and they won 4-1," said Crystal San Giorgio, a freshman at Hiwassee College.
- ◆ The third time Hiwassee met up with Roane State, they beat them hands down.

The spring season did not go as well as the ladies had hoped with a large amount of injuries and girls that were not able to play due to personal reasons. The season was cut short, but the team will be back ready to compete next year.

HIWASSEE MEN'S SOCCER

Coaches John Johnson and Kevin Rushing work hard year after year to have successful seasons. The team this year was fairly young with the majority being freshmen. The team had many players with different nationalities--Japan, Mexico, Turkey, Argentina, Brazil, and of course America. With the cast of Damian Bendersky, Josh Petlitzer, Jesse Hargis, and Kelly Rushing, the players never gave up. This is a team to remember because of their dedication and commitment.

Women's Soccer Team

2003-2004

Eleven Strong all season long. This is a true quote for the Lady Tigers Soccer team this year. They played with eleven girls for the majority of the season. Eleven girls meant no substitution where everybody played the whole ninety-minute game. This team had a lot of heart and played till the end. The team won the Region Championship by beating Saint Catherine's, but the season ended after losing to Shelton State in Sectionals. It was a long journey through the season; they had to deal with a lot of hardships along with a few injuries, but they pulled together and finished the season. This year's team should be recognized for its exceptional hard work and perseverance.

Hiwassee College Dance Team

This year the Hiwassee College dance team was under the supervision of Miss Deborah Penchoff, a native of Argentina. This was Miss Penchoff's first year coaching at Hiwassee. Many things were planned for the dance team this year--like new uniforms, fundraisers, and a dance team auction, just to name a few.

I can say that this year's dance team was full of different styles of dance. It was fun to watch for the audience and fun to be a part of as a team member.

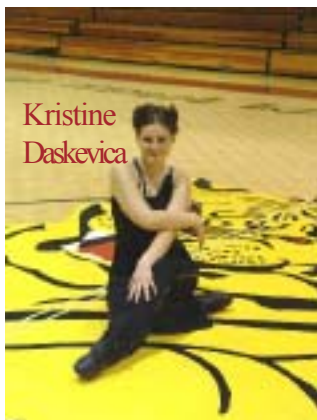

Auditions were held in September, and the girls were broken into groups. The first group consisted of mostly freshmen and one sophomore with dance experience: Shannon Rogers, Stella "Stephanie" Wilhoit, Tony Wilson, and Ashley Holmes. The second group consisted of freshmen and sophomores who, for the most part, had never danced before: Rutendo "Rru" Chikanya,

Kristine Daskevica, Jennie Emmons, Jamelia Ford, Becky Gettinger, Mara Mamani, Chioma "Chi-Chi" Ogbonnaya, Jennifer Solorzano-Fuentes, and Amber Wilson.

Fifteen girls made the team and three additional girls auditioned at a later time. All the girls had to perform individual choreography that had to be at least a minute long, as well as two different routines as a group, which were five to ten minutes long.

We hope this year's dance team starts a long tradition of dance performances at every basketball game and other Hiwassee events.

A Dancer's Prayer

By: Cindy Clough

Lord, you have taught me to accept defeat. To taste the bitter when I sought the sweet. Knowing the longest night brings hopeful dawn, I gather up the pieces, and go on. Now, let your spirit tell me how to treat a child whose dreams lie broken at her feet; How to share the hard-earned wisdom and the calm, the confidence, to be her sore heart's balms? She's tender, Lord. Her hurts hurt more than mine. She's young, and thinks the sun will never shine. Just yesterday, she laughed and walked in clover. Teach her tomorrow is for starting over.

Hiwassee College Cross Country

This year was the first year for Hiwassee College to implement a Cross Country program. This first group of runners proved to be hard workers and great competitors with a desire to get better. "I am proud to have been a part of these kids' lives," coach Ron Phillips says.

Hiwassee competed in a meet at Brevard College, with ten four-year schools. The men finished 8th overall. Hiwassee also competed at Maryville College where we once again competed against nine four-year schools and we had another great showing. The team finished 7th overall in that competition.

Girls Team Members

Nicole Cohen
Shanita Porter

Coach Phillips said that the girls had a really good showing as well in both meets. Nicole Cohen and Shanita Porter both ran well and hustled a lot. All the young women on the team are a great group to work with.

These girls are the leaders of what hopes to become a powerful sport here at Hiwassee College in the future. Next year Coach Phillips is looking at adding a few more girls to the team so they can have a full squad when they go compete.

HIWASSEE COLLEGE GOLF TEAM

Coach Walker sees much potential in his men's team and says, "This group of guys will set a solid foundation for the program to grow stronger in the future." As a new squad with much talent the team of Tyler Young, Sam Forrester, Daniel Agren, and Brian Fullbright have a good shot at qualifying for the National Tournament in Scottsdale, Arizona. Tyler is excited about the upcoming Golf season. He believes, "If we have consistent play from the number one spot to the number five spot, I like our chances of success."

The women's golf team is led by Coach Ron Phillips and assisted by Roy Meyers. This is the first year for the Lady Swinging Tigers at Hiwassee.

The two members of the team are Stephanie Freeman and Leah Lancaster. Even though they are the only two members they should be very competitive Coach Phillips says because they are very cooperative and hard working.

Survey Questions

These are the opinions of some students here on the Hiwassee College campus.

I believe the Tennessee Lottery will improve the state of Tennessee. Agree or Disagree?

Amber Wilson- I agree because it will give kids, who need the financial support, a way to get through college. I think we should have put the lottery in effect in Tennessee a long time ago.

Emily Hooper- I feel as though I am in between answers because I believe that it could help and improve the educational systems and such but I also believe the downside is that there are a lot of people that would spend their money on a wish that would probably never happen or be accomplished.

Should this be the last term for President Bush? Why or why not?

Brian Taylor- I believe that is should be his last term because I feel he is doing an inadequate job as president. Since his supposed "war" on Iraq, there have been more militants killed after the war than during the war. As well, he didn't tackle most of the issues until the past year or so, so as to try and win the favor of America by doing and working with those issues during this last year before elections.

The most inspirational person in my life is my...

Kristine Daskevica- It is Kristine Vainovska because she is my best friend and she is always there for me.

Suzanne Stout- The two Latvian chicks are very inspirational to me. They are always there for me when I need them and I love them very much.

Katsuya Sezaki- I would probably say the most inspirational person in my life is my... well, there are too many people that are an inspiration to my life and too many to list.

Do you agree that the musical programs should be removed from local or nationwide schools? Why or why not?

Kerri Armstrong- I disagree. It has been proven that kids in a band and choir make high grades. Taking away music is one of the worst things a school can do. Music can change a person's life.

Christy Robinson- I disagree. Music can change a child's life in so many ways. Music can help improve a child's self-esteem, reading, and math skills. If we take music out of schools, then eventually we will have no one to listen to on the radio.

Mandel "Mutt" Cook- I disagree. It is proven that for every instrument learned, a person's I.Q. is raised by one point.

If you had a choice of what cartoon character you would like to be, who would it be and why?

Danielle Johnson- I would so be Spongebob Squarepants. I could wear his neat clothes and I could come to class singing, "I'm ready, I'm ready, I'm ready."

Rutendo Chikanyaa – I would be Jerry from Tom & Jerry because he is so smart and fast and there is never a dull moment with him around.

Darrell Sylvester- I'd be Superman because I mean, Why not?
